## KEYNOTE SPEAKERS:

**Anthony Buzzard**  
Born in Surrey, England and educated at Oxford University and Bethany Theological Seminary. Anthony holds Master's degrees in Theology and Modern Languages. He has been a Professor of Theology for many years at Atlanta Bible College and is the author of a great many books, including the seminal "The Doctrine of the Trinity - Christianity's Self-Inflicted Wound". He serves as co-editor of "A Journal from the Radical Reformation".

**Greg Deuble**  
Greg is the author of "They Never Told Me THIS In Church - A call to read the Bible with new eyes". Many have described this book as one of the most significant Christian books of the last 100 years. Greg is a graduate of the Churches of Christ Bible College (Sydney) and has had pastoral ministries in NSW, VIC & Qld.

## Our Foundations:

Our aim is to promote Abrahamic faith in the one true and living God, faith in His only begotten Son, Messiah Jesus, and in the coming, literal, Kingdom of God. (Isaiah 11; Isaiah 65:17-25).

1 Cor 8:6:

*"For there is one God, the Father from whom all came and for whom we live, and one Master Jesus, the Messiah, through whom all came and through whom we live."*

1 Tim 2:5:

*"For there is one God and one Mediator between God and men, the man Messiah Jesus."*

We affirm the Shema of Israel (Deut 6:4-7), understanding it in the same way as the Hebrews; as also did Jesus (Yeshua), the Galilean, from Nazareth. (Mark 12:29; Luke 10:27)

*I must preach the good news of the kingdom of God to the other towns as well; for I was sent for this purpose."*

Luke 4:43

We hold dear the mission statement of Jesus, expressed in Luke 4:43 and Mark 1:38 that his purpose was to announce the good news of the Kingdom of God.

We therefore also hold dear his call to "seek first the Kingdom of God and His righteousness..." (Matt 6:33)

#### What is Replacement Theology?

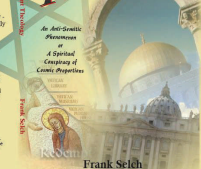

The term is usually dedicated to describe the radical old strategy for the Christian Church to replace the Jewish People in the redemptive plan of God. To this very day, someone in the world is seeking that Christians in the "New Israel" or "The Israel of God".

The author, however, asserts in this book that reading Christian Theologians from the early centuries until now... lead to their hatred of the Jewish People. They mistakenly viewed a total replacement of Jewish Heritage with the global rule of Islam.

#### About the Author...

The author was born in Surrey in the beginning of '50's and has been a Christian since 1970. He has worked in the oil industry and been a member of the Church of Christ. He has written many articles and several books on the subject of the Bible. He has also been a member of the Church of Christ in Australia. He has published two other books, as well as several articles on religious topics.
